II. Fill in the Blanks

1. Democracy is a form of government in which rulers are _____ by the people.
2. The famous definition of democracy was given by _____ Lincoln.
3. The principle of "one person, one vote, one value" ensures _____ equality.
4. In a parliamentary system, the head of government is the _____.
5. The right of all adult citizens to vote is called _____.
6. Ancient Indian assemblies such as _____, _____, and _____ reflected democratic values.
7. _____ democracy is a system where citizens directly take part in decision-making.
8. India follows a _____ system of democracy with a federal structure.
9. The United States of America follows a _____ system of democracy.
10. France follows a _____ system combining features of both parliamentary and presidential systems.

III. Short Answer Questions

1. Explain the broader meanings of democracy — as a form of government, as a way of life, and as an ideal.
2. Describe any four essential features of democracy.
3. How does the rule of law prevent the misuse of power in a democracy?
4. Why can a country with regular elections still fail to be truly democratic?
5. Explain the roots of democracy in India with reference to ancient institutions.
6. Why is direct democracy not practical in modern nation-states?

Democracy is not restricted to governments alone. It is also a way of taking decisions in families, schools, organisations, and political parties. When decisions are taken after discussion and consultation, and when everyone's opinion is respected equally, the process is considered democratic."

- (a) According to the passage, where can democracy be practised besides government?
- (b) What makes a decision-making process democratic?
- (c) Explain why democracy is described as a way of life.
